mission on the Klingle Road issue. She stated that the DPW **period of reassessment had lapsed on November 21**, without any word from DPW's Gary Burch, who had originally asked additional time, and who had not returned her calls. The Woodley Park Community Association has had two meetings on the issue at which John Dear presented status reports to the community. The Klingle Valley Association continues to meet and mobilize. Discussion followed on to how to deal with ANC constituents who favor the reopening of Klingle Road.
