## **THE REPAIR AND RE-OPEN KLINGLE ROAD COALITION CELEBRATES MOUNT PLEASANT FESTIVAL ON JUNE 3**

(Washington, DC) Join the Repair and Re-open Klingle Road Coalition on June 3, from 10:00 am to 6:00 pm, at the Mount Pleasant Festival. The Coalition, sponsored by friends and businesses from Mt. Pleasant, Cleveland Park, Woodley Park, Foxhall, Adams Morgan, Crestwood, Shepherd Park, 16th Street Heights and Columbia Heights, will provide information and answer questions on the progress of Klingle Road repairs.

Several ANCs in the neighborhoods surrounding Klingle Road, including Mount Pleasant, Crestwood, 16th Street Heights, Adams Morgan, Rock Creek East, and Shepherd Park, have voted overwhelmingly to repair the street. The DC Council also strongly supports reopening the road. By moving goods and people across town efficiently, Klingle Road served the public well for many, many decades. Join in the support to get this road fixed.
